Benefit Game for Spencer Powell

KALAMAZOO, Mich.- November 9, 2016- The Kalamazoo Cobras are hosting a Heartfelt Hoops game to benefit Spencer Powell and his family. The game will be this Sunday, November 13 at 2 p.m. at Kalamazoo Central High School.

Spencer is a 16-year-old student at Portage Central High School who is awaiting a heart transplant. He was born with congenital heart disease and has undergone many surgeries to correct his heart. Now, he is in need of a heart transplant to give him a bright future. He is currently in the hospital.

Though Spencer won't be at the game, a family representative will be there in his honor. Also, a representative of the American Heart Association will be present to share some life saving tips and ways each member of the crowd can help people like Spencer.

Ticket proceeds from this game will go toward Spencer Powell's medical bills. Tickets can be purchased at the door or online at Kalamazoocobras.com.

The Kalamazoo Cobras are a minor league professional basketball team affiliated with the American Basketball Association. They were formerly known as the Kalamazoo Pure.
