Kalamazoo, MI, June 8, 2016— The Kalamazoo Cobras, members of the American Basketball Association announced today the fundraiser event scheduled against the Oshtemo Fire Department and the Professional Minor League Team. The event will take place at KVCC on, June 15th, on 9th Street in Kalamazoo, MI from 6-8pm.

“The Kalamazoo Cobras and the Oshtemo Fire Department are partnering up in this effort to create a great family event in hopes of raising money for Logan and his family. Logan is 3 years old, fighting cancer at the current time, gone through 4 surgeries, and his family needs our help. We are going to do just that. We would really love to see everyone from Kalamazoo there to support the Cobras at their first game on the court together, and to help Logan as much as we can!” –Amber Duncan, Owner.
